

PROBUILD

We have a lot of services to offer our discerning clients. We consider ourselves to be the most competitive for the quality of finish you will find in North Wales. We know how personal it is to make changes to your house or property and that's why we endeavour to make it a friendly, stress free experience with the minimum of fuss.

Our professional and qualified employees ensure your works are completed to a high standard with a minimum of fuss, leaving your home clean and tidy at all times.

Browse through our brochure and see how we may be of service.

Renovations

We have a wealth of experience in renovating both modern and period properties in the North Wales area. Whether you want to reinstate architectural features, completely modernise or fuse traditional with modern to create your ideal home, we have created a 'one stop shop', where all services are available for any construction project from initial architect plans to completion. We have a bank of skills and expertise that allow us to take on a wide variety and size of contracts from small refurbishment projects to large home extensions.

We have worked alongside Mostyn Estates and Cadw in renovating a number of Victorian properties including the repair and renovation of Decorative Victorian Quoins and Bands, sympathetic renovation of stone chimneys and chimney breastings, specialist damp proofing and traditional methods of plastering as well as renovating more modern properties which require pebbledashing, reroofing and internal plastering or knock-throughs. Whatever your requirements you can be assured of a quality fuss-free service.

Bathrooms

Whether your ideal bathroom is a clean functional space or an opulent retreat, Probuild can turn your ideas in to a reality by supplying and installing a high quality bathroom, tiles and fittings completed by qualified tradesmen, registered Gas Safe plumbers and NICIEC registered electricians to ensure a fast and safe installation.

If you've already found the perfect bathroom our tradesmen can safely and swiftly fit and finish your chosen suite.

Tiling - Floor and wall tiling such as porcelain, natural stone, limestone, marble, granite, ceramic and mosaic tiles.

Electrics – We can provide electrical services such as bathroom light fittings, power shower installations and anti-mist mirrors.

Plastering – We can carry out re-plastering of walls and ceilings as well as a skimming service.

Decorating – Complete your new bathroom overall look with a fresh lick of paint to finish the overall look.

Plumbing – Whether you want Jacuzzi baths, power showers, heated towel rails or double sinks, our plumbers will install your bathroom with the minimum of fuss.

Kitchens

They say the kitchen is the heart of the home and we can create the perfect kitchen tailored to your tastes and needs.

We can arrange a free consultation in your home with our professional kitchen designers who will supply free plans for your perfect kitchen.

We arrange supply, delivery and fitting by qualified tradesmen, registered Gas Safe plumbers and NICIEC registered electricians to ensure a fast and safe installation. We can add the finishing touches with tiling, painting and floor fitting to create your dream kitchen.

Extensions, Loft Conversions & Conservatories

Dreaming of more space? If you have plans to extend your home then we can work hand in hand with your Local Building Authority and Planning Department to ensure your extension, loft conversion or conservatory is built to your specifications and ensure it conforms to all current Building Regulations.

Commercial

We have with every tradesman in house as well as associated professionals including Structural Engineers, Damp Proofing Specialists, Gas Safe Plumbers, NICEIC Electricians and qualified Painters and Decorators all on hand to ensure your project is completed to the highest standard.

If you have a dream to extend your home, contact us and we can make your dreams a reality.

Commercial

We work with Local Authority departments, private Landlords, Churches, Schools and Lease Holders to ensure their buildings remain in good order.

We attend promptly to water damage, storm damage and emergency property repairs as well as working on routine refurbishment projects and property maintenance.

Period properties are also our speciality and we can maintain, replace or renovate any period feature including decorative cornices, corbels and plasterwork.

We are members of the UK Government Certification Scheme, Constructionline.
